## Observations... From Around Town

(BY JAY WHOZIT)

Th month of February is often called the month of presidents—first on February 12th we celebrate the birthday of Abraham Lincoln, and then on next Tuesday, the 22nd we celebrate the anniversary of the birth of George Washington, first of a long line of great men who have been our leaders through the long struggling years to the present time when we enjoy the privilege of living in freedom in the greatest country on the face of the globe.

Keep in mind, folks, that the Red Cross Fund Campaign begins on March First, so be ready to do your part in putting this drive over the top in record time. Also remember the Carnival Ball on next Friday night, February 25th, and as to who the Regal Rulers will be, your guess is as good as ours. We could be wrong, but could it be that a certain young popular "tooth-puller" will be the ruling monarch at the Carnival Ball come next Friday?

Dr. Shipp has a statement elsewhere in this issue to the effect that idle rumors, seldom true, are damaging to the public welfare, read his statement and you will see what we mean. Several complaints have been made to the editor about certain folks being fined in the Mayor's court for improper parking of automobiles. Well, all we can say in the matter is that we agree with the city officials for their enforcement of the traffic laws, and we are quite sure that once a traffic offender has paid a fine for improper parking, he or she is not likely to commit the same offense a second time, thereby making driving in the city limits safer for all motorists.

The Parent-Teachers Association of Bay High School is really planning on a big day on Mardi Gras, March 1st, when they will stage their second big Carnival parade and dance, so make your plans now to join in the fun. The County Basketball Tournament is being held this weekend at Kiln, and features both grammar grades and high school teams.

The city's new Police Patrol car is a beauty and should be the means of providing better and faster police protection to the public. Just a reminder, Mayor... what about the street between the Baptist Church and the post office? A few loads of gravel, shells, or dirt—anything to fill those gaping holes... farm income in Mississippi in 1948 amounted to \$590,000,000, an increase of \$115,000,000 over the preceding year of 1947, and represents the largest cash farm income in history.

According to friends interested in the project, the new youth center being made ready for the teenagers of our town, is fast nearing completion, but when this is done it will have to be furnished, and this is when the public's interest in the project will be tested, because you will be asked to donate cash to purchase the necessary furnishings, a worthy cause to which we should all be glad to contribute.

Our town is sadly in need of a hall or public place of some kind which could be rented for dances, socials, or private meetings. Recently a group of high school girls were in need of such a place to give a private dance, but none could be found until the Brothers of St. Stanislaus very graciously granted them the use of the college gymnasium.

## Three St. Augustine Seminarians To Be Ordained To Priesthood Thursday, February 24th

American Divine Word Bishop, Leo Arkfeld, S. V. D., to  
Officiate at Ceremonies

Three seminarians from St. Augustine Seminary here, will be elevated to the priesthood this coming Thursday, February 24, at 9 a. m., at ceremonies at St. Augustine's chapel, by the Most Rev. Leo C. Arkfeld, S. V. D., Vicar Apostolic of Central New Guinea, with special permission from the Most Rev. Richard O. Gerow, Bishop of Natchez, Miss.

Bishop Leo Arkfeld, S. V. D., is one of the three newly-consecrated American Bishops of the Society of the Divine Word, who was recently consecrated at St. Mary's Seminary, Techy, Ill., November 20, by Samuel Cardinal Stritch, Archbishop of Chicago.

The ordination ceremonies will begin at 9 a. m., with a procession from the faculty building to the chapel, in which His Excellency, Bishop Arkfeld, ordinands, assisting priests, monsignori, clergy, pages, altar boys, and the students will take part.

Long before the hour set for the ordination ceremonies, it is expected that the chapel will be filled to overflowing with parents, relatives and friends of those to be ordained, together with clergymen, nuns of various orders from New Orleans, Bay St. Louis, and the Gulf Coast, and students of the seminary. There will be special reservations for the Sisters and priests who will attend the ordination rites.

A banquet will be tendered the newly-ordained, attended by the Bishop, Monsignori, clergy, religious, parents relatives and friends.

In the afternoon solemn devotions will be held by the three newly-ordained priests.

On Friday morning at 9 a. m. the three newly-ordained will say their first Mass in the seminary chapel. Following the Mass the priests will bestow their blessing upon all present.

The Right Rev. Monsignor Patrick J. Kilgallen, of Columbus, Ohio, will preach the sermon for the first Mass.

Those to be ordained are: Fr. Mark O. Vigaro, S. V. D., of Lafayette, La.; Fr. Carlos Lewis, S. V. D., of Panama City, Republic of Panama, and Fr. Curtis Washington, S. V. D., of Coccaton Grove, Florida.

This will be the eighth ordination class at the seminary, which is devoted to the education of colored candidates for the priesthood. The seminary was founded in 1920.

**Speaks Before Rotary Club Meeting Wednesday**

Ed Vann, past president of the Gulfport Lions Club, Deputy District Governor of Lions Club 30 D, President of the Greater Gulfport Association and assistant manager in charge of production at W. G. C. M., addressed the Bay St. Louis Rotary club on Wednesday.

Mr. Vann confined his talk largely to the subject of Broadcasting and said that radio can set up shop and broadcast only by the will of the people.

He gave good information on the legal, commercial and informative side of broadcasting.

## P. T. A. Carnival Rulers And Court Named

The King and Queen and Court of the Krewe of "Chicapoula" P. T. A. Mardi Gras were traditionally elected from the Junior Grammar Grades at Bay High, to reign over the celebration scheduled for Shrove Tuesday, March 1st.

## COUNTY BASKETBALL TOURNAMENT STARTED THURSDAY NIGHT

Continues Through Saturday Night

The County Basketball Tourney started Thursday night at Kiln and continues through Saturday night, February 19, to determine which teams will represent Hancock County in the Regional playoff.

This tourney will feature the grammar schools and the high schools, with the finals beginning at 6 P. M. Saturday. The grammar school finals meet at 6 P. M. for the girls and the boys tangle at 7 P. M. The high school finals follow at 8 P. M.

Admission for each session is 15c for students and 25c for adults.

—Mr. and Mrs. Samuel Patrick Murphy announce the birth of a 9 pound, ten ounce son, on Wednesday night, February 16th, at the Kings Daughters' Hospital. Mrs. Murphy is the former Miss Carol Stevenson, daughter of Mr. and Mrs. George F. Stevenson. Reports are that both mother and son are doing fine, also Grandpa George.

## AMERICAN RED CROSS FUND CAMPAIGN DRIVE STARTS MARCH FIRST

The drive for funds for the 1949 American Red Cross Campaign begins on March first and according to Mr. George F. Stevenson, County Chairman of the drive, no one will be overlooked in their attempt to put this drive over in record-breaking time. Hancock County's quota is \$4,054.00.

One need only to think back to September 19, 1947 to realize just what a helpful influence the Red Cross can be in time of disaster, such as that which struck this section at that time. Have you forgotten that the Red Cross spent in excess of \$200,000 in providing food, clothing, bedding and even rebuilding homes which had been destroyed here in Hancock County alone?

For 67 years members of that great organization have answered the call, "Send The Red Cross." Last year, the Red Cross, in 303 disaster relief operations, brought emergency care and rehabilitation aid to over 300,000 persons at a cost of \$12,171,022.

Every hour of the year the American Red Cross is asked for aid in some emergency—only once a year you are asked to contribute to the upkeep of this great organization, so be generous when you are called upon to do your bit. Help safeguard America.

## AMERICAN LEGION AUXILIARY MEETS— PLANS FLAG RAISING CEREMONIES

The American Legion Auxiliary, Unit 139, held its February meeting at the home of Mrs. Louis Pate. Mrs. Pate, chairman of Americanism talked on Washington, Harrison and Lincoln.

The topic for March is Community Service and Mrs. Joseph Noto is chairman for the month. The March meeting will be held at the home of Mrs. Anthony Trapani with Mrs. L. M. Telhard and Mrs. Henry Capdepon as co-hostesses.

Mrs. Joseph Kern and Mrs. Henry Capdepon were appointed as a committee to visit sick members and report to the organization.

The hand crocheted center piece will be drawn for at the next meeting.

On Sunday, February 20, the auxiliary will be in charge of the flag raising at the Waveland School when the flag which was given to the auxiliary by Mrs. William S. McIntyre in memory of the late Capt. McIntyre will be raised on the Waveland school grounds with fitting ceremonies.

The public will be welcome and all members of the unit are urged to attend. Members will meet at the home of Mrs. Trapani and leave from there for the school. Contact Mrs. Warren Carver, 45-J, or Mr. Laurent Dickson, phone 6, for arrangements for transportation.

Attending and taking part in the ceremonies will be the members of the Clement R. Bontemps Post, the firing squad and the Boy Scouts.

The unit will also enter a decorated car in the Carnival Parade which is sponsored by the Central School P. T. A.

—A. G. Favre, editor of the Echo, was taken to Hotel Dieu in New Orleans, on Monday morning of this week, where he is under observation and treatment for a heart ailment. From latest reports his condition is somewhat improved.

## Saint Stanislaus Sidelines Club Hold Banquet; Football Team Honored

Nineteen Letter Awards Made To Team Members; Others  
Receive Golden Footballs

## Building Trades Group Formed; Officers Elected

By a vote of 29 to 1, the building contractors, electricians, plumbers, and building supply men, voted on Monday night, February 14, to form the Building Trades Association of Bay St. Louis and vicinity.

Officers elected by ballot to head the new Association are: George Stevenson, President; Lew Monti Vice-President; and Fred Garner, Secretary-Treasurer. The building contractors, plumbers and electricians will meet at a later date to select their committees to adopt codes which will be presented to the Commission Council of the City for their study and approval.

## ANNUAL CARNIVAL BALL NEXT FRIDAY, FEBRUARY 25TH.

According to the reports received from the committees in charge of arrangements and decorations for the annual Carnival Ball which will be held on the night of February 25th, at Saint Joseph Academy Memorial Hall, everything is just about in readiness for one of the finest and most elaborate affairs yet presented.

The theme of the ball and the names of the gentleman and lady who will reign supreme on that night are, of course, a closely guarded secret, and is the chief topic of conversation around town.

Again we remind you, the date is Friday, February 25th; the place, St. Joseph Academy Memorial Hall; the time, 9 p. m.; the price \$1.00 general admission; so get your tickets early and be there on time to see the entire show from beginning to end.

## Bay-Waveland Garden Club February Meeting Held Last Thurs. Next Meeting, Mar. 10

Mrs. Melvin G. Ness of Biloxi was guest speaker at the February meeting of the Bay-Waveland Garden Club on Thursday of last week at the home of Mrs. H. A. Eldredge. Mrs. Ness talked on corsages.

Mrs. W. G. Anderson of Ocean Springs made a short talk on pottery with special reference to ceramics and exhibited some pieces. Pottery was given as door prizes.

Mrs. N. C. Erwin, garden pilgrimage chairman, reported plans made for cooperation with the Hancock County Chamber of Commerce for the opening of local gardens on Easter Sunday. This will be the last of five Sundays when the Gulf Coast Council of Garden Clubs will open gardens from Pascagoula to Bay St. Louis and Waveland.

It was reported that two cedars had been given to the City Hall for planting on the grounds there and that planting of shrubs on the Kings Daughters Hospital grounds would begin this month.

Mrs. J. R. Rollins, president Bay-Waveland club reported on the meeting of the Gulf Coast Council of Garden Clubs which approximately thirty of the club members attended, in the early part of February.

Mrs. L. T. Boyd won the blue ribbon award for her Valentine arrangement of small camellias, blue iris, daffodils and narcissus.

Corsages were presented to Mrs. Roy Baxter, Mrs. M. A. Gillis, Mrs. Evelyn Terrell, and Mrs. Tom Adams. Mrs. Felix Vaccaro, Mrs. Harry Swift of Pass Christian, Mrs. M. G. Ness and her guest Mrs. Buckmiller of Biloxi.

Entertaining with Mrs. Eldredge were Mesdames Walter J. Gex, E. N. Spence, Edouard Carriere, A. P. Smith, M. A. Gilmore and George Lehtner.

Refreshments were served and the usual social hour was enjoyed by members and visitors.

The March meeting of the club will be held on March 10 at the home of Mrs. T. T. Robin and Mesdames E. H. Singreen, A. C. Enxiois, F. P. Phillips, J. R. Shadoin, Gayle Aiken Jr. and Florence deVallon, will be the co-hostesses.

## Deputy Collector Of Internal Revenue To Be Here Feb. 21 and March 1st

The office of Collector of Internal Revenue, at Jackson, announces that deputy collector of Internal Revenue, Mr. H. A. Ferguson, will be in Bay St. Louis, at the Courthouse on February 21 and again on March 1st, to assist taxpayers in the preparation of their 1948 income tax returns and declarations of estimated tax for the calendar year, 1948, which are due March 15, 1949.

## OUR TOWN

By WARREN J. CARVER

On Thursday, February 10, 1949, the Mayor and Commission of Public Utilities attended a meeting in Gulfport called by the Mississippi Legislative Municipal Investigating Committee. Also in attendance were the Mayors of Pass Christian, Gulfport, Biloxi, Long Beach, Ocean Springs, Moss Point, Pascagoula, Lucedale, Lumberton, Wiggins, Picayune, and Poplarville. Each mayor was given a chance to present the case of his municipality before the Committee and to inform the Committee of the financial problems confronting his local situation. It was pointed out to the committee that present revenues from real estate taxes, personal, and privilege taxes are positively not sufficient for street extension, construction, and repair; fire fighting equipment is wholly inadequate and, in many towns, antiquated; open ditches and improper sewerage disposal are commonplace; schools are over-crowded; and cemetery and park improvement are at a standstill.

It was pointed out to the Committee that in practically every community the real estate tax was at least 65% or 70% of the total revenue. An important fact is that governmental costs are now about 50% above the cost of such function in 1940.

It is doubtful if the Legislature has ever before considered the important role of the municipality in the governmental set-up. While the State has taken the "highly productive" and "painless" sources of revenue, such as sales tax, gasoline, and income tax, it has provided the towns and cities with no source of revenue except the direct real estate tax; and the municipalities carry the responsibility of providing the most direct service to the citizen: fire protection, police protection, garbage collection and disposal, street construction, repair, maintenance and cleaning, sanitary sewerage disposal, school construction and operation, parks and recreation. The cost of all of these services rendered by the towns is borne by them unaided with the sole exception of the cost of school maintenance.

The State has long since recognized that it was unwise to require the Counties to perform the functions given to them from the revenue derived from real estate taxes alone and, accordingly, the State now returns to the Counties enough of State Collected Excise revenue to permit most of the Counties to collect less than 20% of their needed revenue from the real estate tax.

The Mississippi municipalities now find it impossible, from the sources of revenue now afforded them by the State, fully and adequately to render to the citizens the benefits and services of municipal government which the municipality was created to render and which the citizen has every right to expect. As it reaches the limit of real estate taxes which it can soundly impose upon the property within its limits, the towns find but one due course open, and that is, the reduction of expenditures and the consequent rendition of inadequate service both in its governmental and corporate fields. To curtail any of the services performed by the municipality means to endanger the health, welfare, and safety of the individual citizen.

Can the State of Mississippi permit such a dangerous condition to continue to exist with full knowledge now of the facts? Through the Mississippi Municipal Officers' Association, the case of the suffering and impoverished towns and cities will be presented to the Legislature when it convenes in January, 1950. The outcome of the matter will rest largely upon the citizens within each incorporated community. If as many of us as possible will contact our State Representative and our State Senator and let them know we must positively have some relief, then the outcome will be brought to a successful conclusion. But how can the towns and cities expect to be relieved of a pressing burden if their citizens take a disinterested attitude?

## Four High Schools To Compete In Relay Races Tuesday, February 22nd

Relay Races To Start at 2:30 P. M. for High Schools;  
2:45 P. M. For Elementary Schools

The gun to start the first 10 Mile Annual Board of Supervisors' relay race will be fired at 2:30 p. m. on Tuesday, Feb. 22nd, 1949 at a point on the Kiln Road about a half mile below the old Bombing Base. This race is for the four High Schools of the County, Sellers, DeDeaux, Kiln and Bay High. The route will be down the Kiln Road, across Highway 90 up to Old Spanish Trail, out the Old Trail to Main St., where the runners will turn to finish the race in front of the Hancock County Courthouse.

At 2:45 the gun will be fired in front of Raymond Talbot's Grocery on Old Spanish Trail for the 2 1/2 Mile Relay for Elementary Schools. The route will be out O. S. T. to Main St. with the finish in front of the Hancock County Courthouse.

Buses have been furnished for the runners to each lap of the race and also to pick up the runners as they finish each lap. There will also be a car following each race in the event one of the contestants should have to drop out of the race.

Traffic regulations supervised by Mr. Gerald Price assures the runners of perfect protection all along the course.

Due to the number of contestants from each school trying out for these races the Coaches are unable to name the final choice of entrants at this moment. Reports from each school are enthusiastic and confident which insures good races with the final results promising startling upsets athletically.

Father Toner will be in charge of High School Race and Robert Camors of the one for Elementary Schools. Mr. Ed. Orrie, chairman of the Board will be at the finishing line and will receive the Baton from the winner of each race.

Brothers Alexis, Linus and Flavien will be in charge of Officials both at the finish and along the route of the race.

Dr. Marion Wolfe will be the Medical Officer for the races.

A large delegation of rooters from all parts of the County will be on hand to root for their respective schools. These races will furnish all people of Hancock County a chance to see good clean sports that will help materially in keeping the kids busy and healthy.

## Typhus Control Campaign To Begin February 28, Continue Through March 4

The Hancock County Health Department will begin a typhus control campaign in Hancock County beginning Feb. 28 and continuing through March 4. This portion of Typhus control will consist of rat poisoning only, and will be followed in May and June with DDT dust for the control of fleas.

This work is made possible through the cooperation of Hancock County, the City of Bay St. Louis, Miss. State Board of Health, and the U. S. P. H. S. Mr. L. A. Wood, Typhus Control Supervisor of the U. S. P. H. S., will be in charge with Wayne Alliston of the local health unit.

Poison will be available for all residents of the county, with distribution in the rural areas taking place on Monday and Tues. Time and place for people in the rural areas to pick up the poison will be published in next weeks paper.

In Bay St. Louis and Waveland, the poison will be distributed by personnel under the direction of Mr. Wood.

### COUNTY AGENT NOTES

#### HIGHER MILK PRODUCTION

Average milk production an all-time high in 1948 should be a goal of dairymen in Mississippi, and throughout the nation, since cow numbers have dwindled to the lowest since 1930 in the U. S., according to Department of Agriculture officials.

National goal is 120 billion pounds of milk for 1949. Average production of the 23,200,000 cows milked on farms in 1948 was about 5,020 pounds. Even if the number of cows remains the same, average production will have to be increased to about 5,170 or an increase of 150 pounds of milk per cow, if the 1949 production goal is to be met.

"Mississippi dairy farmers generally should find it not too difficult to increase the average production of their cows 150 to 500 pounds during 1949 over that of 1948," declared L. A. Higgins, Extension dairyman.

Adequate feeding, together with good management, will increase the average production.

Liberal feeding of roughage and concentrate during the remainder of the winter, as well as judicious use of available winter grazing, is recommended in Mississippi. House cows to protect them from disagreeable weather.

Now is the time to plan a grazing program for the remainder of the year.

Provide supplementary summer grazing, especially during the drought season, which usually occurs between July and September. To get the desired increase in milk production, there must be plenty of grazing next fall and early winter, together with an abundance of good roughage.

Such improved feeding practices will also materially reduce the cost per unit of production.

Seed and fertilizer should be purchased at once if this has not already been done. Supplies of seed for some crops and of practically all fertilizer materials will be short.

#### PREVENT WOODS FIRES

Be careful to control fire and keep it out of the woods when burning ditches, banks, fence rows or other places while clearing fields for the coming crops season, advises Paul Millsaps, Extension Forester.

A good time to burn is when the wind is not too high and the air is humid. This is usually in the early morning or late afternoon.

Construct fire lanes to protect woods if this has not been done. Maintain existing fire lands. Standard fire lanes are 10 feet wide plowed or 40 feet burned.

The prevention is especially important this year since some nine million seedlings are being planted. Seedlings cannot survive if fire reaches them.

A study made in experiment plots at Auburn, Ala., shows that it pays to keep fire out of woods.

In a plot which was protected from fire for 15 years, two cords of wood per acre were produced each year, there was little erosion and the soil was improved. On the other hand, a plot burned over every year produced only one-sixteenth of a cord growth annually.

#### PROTECT MANURE

Protect manure from being wasted by either storing it in a bin under a shed or scattering it over the pasture land, states W. R. Thompson, associate Extension Agronomist.

For really good sudan or silage, try applying a good covering of manure over the land. Manure is also

### Mrs. Robin Hostess To WSCS Group

Mrs. T. T. Robin was hostess on Tuesday afternoon to the Women's Society of Christian Service with a large number of members present.

The meeting was opened with a prayer by Mrs. A. C. Exnicolis and reports from the committees were heard. Miss Florence Dixon made the report on the book shelf at the church and said that the books are in place there and urged the members to take advantage of these and read them.

Mrs. F. J. Nelson reported on the Zone meeting which members of the society had attended and announced that Coaching Day will be held on March 8 at the Seashore Camp Grounds.

The study course for the society on Spiritual Growth will be held at the church.

The program was given by Mrs. T. H. Tabb who talked on "Paradise of the Pacific"; Mrs. A. J. Noto on "People of Many Races Living Together"; Mrs. George Schilling on "Hawaii"; Mrs. S. H. Register on "Founding of Susan Wesley Home for Girls."

The meeting closed with The Lord's Prayer given in unison by the group.

Refreshments were served by Mrs. Robin and her co-hostesses Mesdames Elizabeth Jenkins, A. P. Smith, L. Ginn.

Ideal to get grasses and clover started in gullies and eroded areas.

The dairy farmer who keeps his cows housed during the winter will do better if the manure is loaded on the spreader when the barn is cleaned and spread direct on the land. This saves time and makes certain the manure will be spread on the pasture.

STYLE DE LUXE  
4-DOOR SEDAN

#### The most Beautiful BUY for Styling

Millions of people all across America—and undoubtedly your friends and neighbors, too—are hailing the "luxury look" of Chevrolet for '49. It's the beauty-leader, all right—inside, outside, and from every point of view! For the bodies are by Fisher—finest of all car bodies—found only on Chevrolet and higher-priced cars.

#### The most Beautiful BUY for Comfort

You'll enjoy a new and finer kind of comfort in this car. The perfectly relaxed comfort of "Five-Foot Seats" plus extra-generous head, leg and elbowroom. Moreover, it's a "car that breathes" for an advanced heating and ventilating system inhales outside air and exhales stale air.

(Heater and defroster units optional at extra cost.)

#### The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design

What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

#### The most Beautiful BUY for Performance

For real thrills and thrif— for the finest balance of performance and economy—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet in its field—holds all records for miles served, owners satisfied, and years tested and proved.

#### The most Beautiful BUY for Safety

To buy one of these brilliant new Chevrolets for '49 is to give your family fivefold safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Rids.

## By-gone Days

By Udell Favre

OCT., NOV., DEC. 1897

—Miss Nina Gex left for a brief visit to relatives and friends in New Orleans.

—The Sanger family gave a basket picnic by schooner across the Bay to Whitfield's. Mr. Morris McGraw, Jr., was master of ceremonies.

—Mrs. Piccaluga and Miss Alvina Lewis of New Orleans were guests of Mrs. C. G. Moreau.

A requiem High Mass for the soul of Very Rev. Father Leduc was held September 27th., 1897. During the ceremony all business places were closed and business suspended for the time. The county and city officials and the religious societies of the place attended in a body. Father Leduc died while visiting in France.

—In the year 1897 the Sea Coast Echo was a one page paper with a small supplement containing a few advertisements.

—Born—to Mr. and Mrs. C. G. Moreau, a daughter, Wednesday, October 13th, 1897.

—The Echo had compiled data on the yellow fever epidemic of 1897 which stated that out of a population of 2,000 in Bay St. Louis there were 546 cases of yellow fever; and a total of 83 deaths. Then in October 1897 seven cases of yellow fever were officially declared to exist here and one case was regarded as suspicious. Several officials of the state board of health declared yellow fever to be present in Bay St. Louis. The fever at Bay St. Louis was first announced on Sunday, October 17th, and a week later, with one death, there were approximately 150 cases.

—Very Rev. Father Dennis died as a result of the fever. He came to Bay St. Louis to assist Father Alphonse and was here for only a short time before his death.

—Brother Matthew of St. Stanislaus College celebrated his 25th jubilee.

—Mrs. James T. Egan arrived from Scranton to visit her mother Mrs. Breath.

—George Sick died in New Orleans, age 70 years.

—Mr. Henry Boyle of New Orleans and Mrs. Delphine Genin of Bay St. Louis were married at St. Peter's Catholic Church in Covington, La.

—Mr. Albert Biehl died from a relapse of the fever. He left a young widow (nee Miss Jeanie dePaoli) and an infant of a few weeks.

—The infant son of Mr. and Mrs. Charles P. Taconi, name, Charles Joseph, was christened at the Catholic Church. Charles Hamm and Mrs. F. Taconi, Sr. were the sponsors.

—Marie Louise Elizabeth Moreau daughter of Mr. and Mrs. C. G. Moreau was christened with Mr. H. R. Piccaluga and Mrs. H. Moreau sponsors.

—Mr. and Mrs. J. D. Saucier announce the birth of twin daughters on November 16th., 1897.

—Misses Mamie and Alice Baron returned from a two months stay in New Orleans, accompanied by their mother.

—Bay St. Louis had only eight deaths during the yellow fever epidemic; it had the lowest mortality of any town visited by the epidemic.

—Alfred deMontluzin left for New Orleans to spend the winter.

—Mr. Joe Mauffray was to leave for Abbeville, Louisiana, to clerk for G. A. Levy.

—Mrs. A. Spotorno returned from

a visit to New Orleans.

—Mrs. Alice and Adrienne deLaup returned to their home in New Orleans after a stay of several months with Dr. and Mrs. L. A. deMontluzin.

—Rev. Father Pendergast was appointed by the Bishop of the Diocese as a new assistant pastor for Bay St. Louis. Rev. Father Blane of Biloxi was appointed pastor of Bay St. Louis and dean and canon of the Cathedral at Natchez to succeed Rev. Father Leduc, deceased. Rev. Father Alphonse was to go to Biloxi.

—Mr. and Mrs. Berthelot announce the birth of a son.

—Professor John A. Hemmersbach returned from Louisville, Kentucky.

—Miss Camilla L. Ramelli was married to Mr. J. L. Montefue.

—Miss Ida Edwards left for New Orleans to study nursing.

—Turkeys in 1897 sold for 90 cents.

—Mr. and Mrs. Paul Combel announced the birth of a daughter.

—Clermont City was the name being given to a new city being laid out by F. C. Bordages, assessor.

The Fashion Academy of New York has been noted for the past 20 years for its annual selection of "America's best dressed women." The '49 Ford was chosen to receive the Fashion Academy Gold Medal after 1949 automobile models of all makes and in all price classes had been carefully studied from the standpoint of excellence in design, simplicity and feminine style appeal. This recognition of Ford leadership in the modern trend of automobile design stands as a unique tribute to the work of Ford's Styling Department and of Design Consultant George Walker of Detroit.

In The Matter Of A New Registration Of Voters of Hancock County

RESOLUTION

Whereas, the registration books of the electors of Hancock County have become in such confusion that it is the judgment of the Board that a new registration is necessary to determine correctly the names of the qualified electors and the election district of each.

Therefore, Be It Ordered by the Board of Supervisors of Hancock County, Mississippi that the registrar be and he is hereby authorized, and directed to make a new registration of the voters of each precinct of Hancock County, Mississippi as provided by Section 3222 of the Mississippi Code of 1942, and comply with all laws applicable to new registrations and notice thereof.

Be It further resolved that the registrar be and he is hereby authorized and directed to give notice by publication and by posting at the courthouse of the new registration shall be in full force and effect, and the old registration books

of no further use and void, excepting, however, that in case of an election within FIVE months from the first day of February, 1949; then, in that event, both the old and new registration books shall be used to determine the qualified electors for said election.

Be It Further ordered, that the County furnish registration books to the registrar for the new registration, and that the Clerk of this Board be and is hereby authorized and empowered to purchase the necessary registration books.

Be it further ordered that the compensation of the registrar be paid out of the County Treasury, as the Board of Supervisors of the County may allow at a future date.

Ordered, this 28th day of January, 1949.

Be It Ordered by the Board that the Board adjourn until the Board shall meet in due course.

ED. P. ORTIE, President.

## COLMER NAMED TO IMPORTANT STEERING GROUP

The Louisiana, Mississippi and Alabama Delegates have just met in caucus and effected their Zone organization for the Eighty-first Congress.

They elected Congressman William M. Colmer of Mississippi and Congressman Sam Hobbs of Alabama as their Representatives upon the all-important House Steering Committee.

This Committee, charged with formulating the policies of the Administration on important legislative matters, is composed of the Speaker, the Majority Leader, the Chairman of the Rules Committee and Representatives from the several Zones of the country in the House of Representatives.

Congressman Colmer, who served as Chairman of the Zone Group in the preceding Congress, was given this important assignment in recognition of his previous work as Chairman of the Southern Group of seventy-eight Members of Congress in the Eightieth Congress, which was set up to oppose the President's Civil Rights Program.

While it is recognized that he and Congressman Hobbs will be out-numbered on the Steering Committee, it nevertheless, gives them the opportunity in the councils of this important group to express the opposition of the Southern States to the proposed enactment of the President's Civil Rights Program.

## Hancock County Soil Conservation News

Fifty-six Cooperators in Hancock County Soil Conservation District recently received 60,000 slash pine seedlings. The Cooperators made Simmons to secure the pine seedlings through Mr. Simmons, County Agent last November. M. T. V. Marlar, Forest Area Ranger assisted Mr. Simmons to secure the pine seedlings from Mississippi Forst Service Nursery. District Cooperators are now busy planting the pine seedlings on steep eroded land and other lands unsuitable for cultivation.

The following District Cooperators in Leetown and Caesar Communities terraced their crop-land: W. C. McCrimmon, Clifton Pearson, Walter E. Godshaw and Otho Raster. Application for assistance was granted through John Floris P. M. A. Representative. W. R. Stewart, local terracing contractor constructed the terraces. Technicians of the Soil Conservation Service, Hancock County District assisted Cooperators to survey terrace lines.

Alfred Wittorf in the Leetown community is busy constructing contours on his farm to plant-tung trees. Alfred expects to plant 50 acres to tung this spring. Soil Conservation Service personnel from the Hancock County Soil Conservation District assisted Alfred to survey contours.

John C. Watts, whose last known residence was Lauderdale County, if alive, and if dead, his unknown Heirs At Law or Legatees; Angel Lema, if alive, and if dead, his unknown Heirs At Law or Legatees; August Lema, if alive, and if dead, his unknown Heirs At Law or Legatees; and

Any and all persons having or claiming any right, title or interest in and to the following described property situated in Hancock County, Mississippi, to-wit:

Lots 41 to 56, Inc., Block 3, Alta Vista Subdivision, Rear of the First Ward, City of Bay Saint Louis, Hancock County, Mississippi, as per map or plat of said subdivision on file in the office of the Chancery Clerk of Hancock County, Mississippi.

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on the Third Monday of February, A. D. 1949, to defend the suit No. 5608 in said Court of Emile J. Gex, Jr., Complainant.

The same being a suit to quit and confirm complainants title to said land above described wherein you are a Defendant.

## Bay High Boys and Girls Defeat Saint Stanislaus And St. Joseph Academy

The Bay High Tigers and Tigerettes were really in a raring mood Monday night and defeated the Rock-A-Chaws 29-27 and the S. J. A. Girls 31-19.

The boys game was one of the smoothest seen on a local court in many years, with both teams fighting their hearts out and the outcome being in doubt up to the last second of play.

Delbert Zengarling of Bay High made the difference in the game, being the high scorer with 14 points. He was held to 3 points in the first half, but the a second half change of offense saw him break loose with 11 points.

### Southern Bell Telephone Company Reports 1948 Business Largest in History

The Southern Bell Telephone Company reported today that it handled the largest volume of business in its history in 1948, although its earnings, except for the year 1947, were the lowest in 28 years.

In a statement summarizing 1948 results, the company disclosed that it spent more than \$152,000,000 last year to improve and extend service that it added the near-record total of 367,613 new telephones. At the end of the year, Southern Bell had more than doubled the number of telephone in service in 1939.

The company also reported that the addition of new switchboards and outside plant facilities made possible faster local and long distance telephone service and increased the proportion of long distance calls completed.

Both local and long distance calling volumes soared to new company records in 1948. Although the vol-

ume of business produced revenues 209 per cent more in 1939, expenses reached a new high, being 256 per cent above 1939 expense levels. The return on each dollar of Southern Bell's capital in 1948 was only 4.03 per cent as compared with 6.90 per cent in 1939. Officials pointed out that the 1948 earnings figure includes substantial sums being held by the company under bond and subject to refund to customers in event of adverse rate decisions. Excluding these amounts held under bond, the 1948 return was only 3.48 per cent.

"Although the 1948 return is slightly higher than the 2.51 per cent return of 1947, the company's earnings in the overall are still far below the level necessary to attract sufficient capital with which to finance continued expansion," Southern Bell officials said.

"Despite the addition of more than 367,000 new telephones in 1948, the demand for service in the 9 Southern States served by Southern Bell continues much higher than the national average. It is a healthy sign of progress that a great proportion of this demand is in the small towns and rural areas. If we are to meet this demand we must continue to construct record amounts of new telephone facilities. Upwards of \$140,000,000 will be required in 1949 for service improvements and expansion. In attempting to raise the money to finance this program we are in competition with other expanding businesses whose current earnings generally exceed both their prewar earnings and the current earnings of Southern Bell.

"Another aspect of the company's present low earnings situation which is causing grave concern is that in times like the present when business is good, expansion is in order and new capital for expansion required, something more than average earnings are required to provide against the inevitable slack periods when less than average earnings will be obtained. Southern Bell's present earnings are far below those requirements."

## Bigger, Better and Worth More!

Light duty GMCs are built by the world's largest exclusive commercial vehicle producer. That means plenty!

• It means manufacture by workers whose sole interest is commercial transport... in design, engineering, testing and production.

• It means special facilities for truck development... such as the industry's finest truck dynamometer laboratories and proving grounds.

• It means a nationwide parts and service network... specially manned and equipped for truck work.

• It means the biggest, most modern six cylinder engine installed in trucks under one ton... the finest cabs... the best engineered chassis.

• In a word, it means extra quality, extra craftsmanship, extra value throughout.

GENEVIEVE HARRISON, REPORTER

As tournament time draws near the two high schools basketball teams are still making a favorable showing in spite of stiff opposition, winning some games and falling short in others. On Friday night Feb. 11 St. Rose met the 33rd Ave High School of Gulfport here in their gym.

St. Rose's Junior boys team lost their game 23 to 21. The varsity team was a real fast one with St. Rose still keeping their eyes peeled on the cup, outplaying these basketballers. Score 75 to 63 with Arnie Lanneux of St. Rose high point man with 31 points. Sam Williams right in close with 23.

On Sunday, February 13th, St. Rose de Lima's basketball teams of the Elementary Grades played St. Philomina School of Pass Christian here. St. Rose's girls team lost their

game 16 to 6. The boys of St. Rose stood out far ahead, winning their game 22 to 10. There was also a game between the C. Y. O. girls team of Pass Christian and the varsity girls team of St. Rose, with St. Rose winning again 24 to 15.

Tuesday night February 15th, Valena C. Jones High School played Biloxi Public High School here in St. Rose's gym. V. C. J's girls playing hard overtook a 16 point lead and made the final tally just in the nick of time to win the game 20 to 18. The boys game was really a thriller as Biloxi's men of height were a little more sure of themselves, this time taking the lead from the start and holding it. Score 51 to 45.

## Baptist Brotherhood Entertains At Sweetheart Banquet, February 14

The Brotherhood of the First Baptist Church entertained their wives at a Sweetheart Banquet, on Monday evening, February 14, with thirty-two in attendance. The Valentine motif was carried out in decorations and each lady was presented with a comic Valentine which she had to read aloud.

The wives of the members were guests, indeed, because the men arranged to have the meal cooked and the young people's class of girls served at the dinner.

After dinner all eight were laid aside, even the pastor's and a real rollicking good time was had. Games were played and contests were held, but J. C. Kelly carried off the liars' contest prize. They refrained from divulging who ate the most fried chicken because what would have been a hard thing to decide.

The girls serving were Shirley and Mary Favre, Joyce Middleton, Pansy Parker. Carol Siren was in charge of the nursery.

a visit to his parents in Bryan, Texas. He reports his family well in health. —Mrs. Mercedes Scarborough and Mrs. Eretta Lee were recently in Biloxi visiting friends and attending a dance at the close of their stay.

—Sorry we are to hear of the illness of Rev. M. P. Johnson and wish for him a speedy recovery.

—On Monday night a very lively Valentine day party was given in St. Rose DeLima's auditorium.

## CAREER-MINDED?

These words are addressed to young men who want to be the leaders of tomorrow. It is addressed to ambitious men who are truly career-minded, and not those merely interested in a job. To these ambitious men today is offered the greatest chance for advancement in the nation's history... a career in the new U. S. Army or U. S. Air Force. These organizations—representing the biggest business in the world—hold career opportunities unmatched anywhere. Find out yourself, in a frank talk with your recruiter. He's at the U. S. Army and U. S. Air Force Recruiting Station at the Courthouse here on Wednesdays. This recruiter, a trained expert, is actually a career counselor. You'll find it worth your while to check with him about enlisting. For women, WAC and WAF careers open a bright door.

## The News of the Little Theatre

Lt. Wm. Freeman, who will direct the March production of "Ten Little Indians", announces that he has his complete cast, and will start rehearsals immediately. This play is an intensely interesting mystery, that will keep the audience in suspense until the final curtain is rung down.

Many plans for the improvement of the theater have been made by the Board this year, and among them is the plan for the filling of the lot. It will take considerable money for a complete fill, so until such a time as funds are available, without incurring further debt, it has been planned to fill a front and rear walk that will greatly facilitate the approaches to the building. And while we are on the subject of plans for improvements that require money, remember that as members of this organization, it is our duty that take care of the necessary improvements, so each one is being urged to send in a check for membership as soon as possible so that there will be funds to work with. While no specific date is set as to when the dues are in arrears, a new ruling was made by the Board, that only members in good standing, who have attended a minimum of four plays will be eligible to vote on the Oscars at the yearly meeting, which is held in January. It is always fun to be able to cast a vote for our favorite players, so please do not become delinquent and send your membership as soon as possible. Your card will be mailed back to you immediately upon receipt of same.

## with a convenient Extension Telephone in your own room

Ever wished for the privacy of a desert island when you're on the telephone? It's all yours with an extension telephone.

This is one of the many advantages an extension telephone provides for the home and family. An extension saves time and steps. It improves your service and makes your telephone more valuable by increasing its usefulness. Extension telephones can now be installed in homes at small cost. You don't need to write or come to the office. Just call our Business Office.

Orders for main telephone service are sometimes delayed because of shortages of central office and other equipment, which are not involved in the installation of extension telephones. That's why you can now get extension telephones, though there may still be delays in furnishing main telephone service.
